

The following address was made on the occasion of “inter-faith dialogue’ organized by _____ and held at the Bangabandhu Conference Center on April 17, 2011.

**The Message Messiah
The Dialogue of Dialogues**

DIALOGUE FOR TRUTH IS SALVATION
DIALOGUES FOR TRUTHS ARE FALSEHOOD
TRUTH IS SINGULAR LIKE GOD IS SINGLE
TRUTH IS DIVINE, UNITES MAN DIVINELY
TRUTHS ARE DEVIL DIVIDE FOR DEMON-NESS
RELIGION IS GOD’S FACE/IMAGE FOR RELIGIOUS PEOPLE
RELIGIONS ARE DEVILS’ MASKS FOR DECEIT
GOD’S RELIGION UNITES FOR ONENESS OF HEAVEN
RELIGIONS TEAR WORLDS FOR THE FIRE OF HELL

O my beloved brethren of the family of Adam! Let us build the heaven on earth anew which was incepted to be one family of one Nation for One God. Devil has torn us into nations. Whereas dogs, cows, cats, rats, crows, etc. around the globe remained one nation irrespective of their colours and sizes. Did you ever thought, who, when and how made us Nations? What hell is this UN, United Nations? Must not it drop its ‘S’ from its body to be United Nation of One Human and Humanity to rule vice-royal of One God on earth?

Surely we are all from God and verily we shall return unto Him.

The One who embodies the Call
Imamuddin
Muhammad Toaaha Bin Habeeb

Dated 27th April, 2011
Dhaka, Bangladesh

My beloved brethren,

May God embrace you all as He has covered me by His mercy. There is no gods, but God the Sovereign. The torn world of today is the hell of the hells, not because of the ignorance but arrogance. Let us be simple without any complexity. Let us be true to our sacred soul. Let us pledge godly that we will not lie to our conscience. Our conscience is the seat of God in our existence. Those who lie, they betray their soul, and Satan takes his control, demonize him, and human, he or she becomes more demonic than demon. The godly human world is devastated today by the demonic dogly human monsters. Believe, God has created us to unite the universe for His services. Among all of His creatures it is dog that divide the houses into the walls of its occupiers. Be godly, the globe in its entirety will be a single home for all of us, a heaven of host and guest. Man is created and assigned to turn the earth heavenly to be ultimately crowned in the heaven, life after the temporary transit here. Man has property right of his body, soul, home, land, and money etc. to facilitate his transit life here. He cannot think of having the utilities as he or she wills. These are the gifts of God given to rise next to the throne of God by good deeds, or fall lowest of the hell they earn by their sinisterity. Man can own, transfer, by purchase and sale of these properties, they can exchange gifts and make charity. This is the constitution of God for us to live our temporary life as host and guest by preceding and succeeding heritage. Man does not have any right to colonize in his life anything he possesses. He or she cannot let his or her soul, body, home, land and money on rent. This is colonialism. This is usurpation, illegal occupation. God, The Lord is the ultimate owner of our life and property. He has made set of norms of inheritance and transfer. Violation of His law is prostitution against His constitution that illegalize the life and existence here. See, Vedas, Puranas, Talmud, Bible, Quran and any scripture of revealed faith. There is no faiths like there is no gods. There is no religions, but The Religion. The manifestation of Only God. There is no plurality in Him and in His Religion. In culture and practice of Religion, there are pluralities. Root is same and the end also is same. Only the shades and by-ways may be plural for freedom of choice. Likewise, there is no faiths but the Only Faith. Like the father is one, no plural father. Brothers, sisters, sons, daughters, grand child and children are plural. There is no human nations, only one human nation, no scope for plurality.

Brotherhood and fraternity of Adam's family has constituted the entire human abode, a joint family of Adam from the day of inception till the end of the world. Our legal life throughout the globe is the life of host and guest. Rent makes the habitat hotel that ultimately ends as the consequential brothel. The inhuman trend and mentality is the founding stone of Satan's demonic colonial concept of innumerable divisions of one human into nations and nation states. The UN of United Nations is the Ghetto Centre of crime against the humanity, the children of God at large. Not as some think that Jesus is the sons of God and his followers are the children of God. How? If Jesus is born without a human father but a human mother? If so, then Adam is the full son as he is born without a human father and mother, by God Himself! In that case, Jesus is the half son of God and his followers are the half children of God, and we the rest of the human progeny are the direct full sons of God and His children! Hurrah!

Begging the pardon of God, as I am compelled to cite bad words to clear the clouds of falsehood from the sky of divine Faith and the Truth. If the gone astray sheeps of the House of Israel asperse on our lord Jesus and lady Mary as bastard and fornicator, then the aspersers Jews who never deny to be the progeny of Adam who was born without a human father and mother either, they are the full bastard child and children? Let us all pray to God for His kind mercy for those gone astray that they come back to the refuge of Kind God with full repent and recompense. These are more arrogant than ignorant human brethren of ours have not only harm them, but most tragically damaged the path of the People of Book and the legacy of

<https://www.janahjibreel.com/>

academy of Divine Faith, the Abrahamic foundation. The believers of academic divinity believe that Adam is the direct creation of God, and his female consort Eve is the byproduct of her male consort Adam. So the father origin of Eve is her husband Adam. Later, though man and woman are progenited by usual parents, the woman migrate by marriage to merge again with father origin husband, to be one again in two bodily existence, two halves make one, one soul in two splits! So the mankind is the children of Adam. Abraham was a re-incarnation of Adam with several wives, having preceding generations — fathers and forefathers, and succeeding generations, children and grand children.

My beloved human brethren,

Here you have to keep in mind a very very important point to conceive with firm understanding, so that you can play a pivotal role in deciding the ultimate destiny of mankind. Adam emerged with no preceding generation, but succeeding generation. Abraham came with both preceding and succeeding generations, Muhammad rose with preceding generation with no succeeding generations, as no male child has survived to continue his future generations on earth. Daughters only conceive and produce the generations of in-laws, unlike sons who continue father's generations. These genesis and geonological crystallicity of Faith and given-knowledge is a must for the participants of dialogue to see through the pipeline of beginning and the perpetual end. Without this guide-light, any initiative to serve and salvage the suffering humanity will only end in deluge. Because these masters and pundits are themselves confused and confusing the horizon. I believe in their piety and pious intention. But most unfortunately most of them are bidden by the pirates of colonial traders of human misery. The human world is to be managed and looked after by the cream of religious people of well meaning and sacrificing. But due to colonial "Divide and Rule" of demonic states of pseudo nationalities, "creams of criminals" have usurped the governmental seats all over the ages and domains, and the most bitter fact is that the popes and priests of ghost faith and religions have come serving those perpetrators as surrogates patrons and matrons since the beginning till the date. Now the hell of terrorism is the savagery child of cruel new colonialism, and Jerusalem, Vatican and Mecca are their cohorts! What a pity! What else and more is needed to awaken your Excellencies to turn to One God, one humanity of one Faith? How there can be faiths and religions for interfaith and inter-religion dialogues?

The colonial perpetrators have occupied the entire globe reducing the children of God at large, hostages enslaving Adam's as tax-slaves and Eve's sex-salves, made the home of family heaven of host and guest rental hotels, husband and wife to two-in-one by gender equality, consequential to brothelize the entire human family! When the every individual is unique in God's uniqueness with unique specialty, how husband and wife identically be equal, not unique in specialty? Sodomy, same-sex marriage and gay were not enough to deter the churches from furtherance to declare that the homosexual and the child abusers are too head the churches and seminaries, and that too in the name of human rights! So are the cases of most seminaries of other faiths and religions! Can there be any dialogue to achieve one family unity of the home of Adam by the representative of 150 nation states and the exponents of innumerable sects and factions who agree to disagree, and never agree to unite for One God and His Faith? At whose expenses and initiative such conferences are held in imperial conference halls of hotel brothel? If we associate with elements of satanic vicious circle, shall there be unification of mankind? Satan rules by character assassination of messengers and prophets since Adam. In recent past, a gay lord with his followers attempted to make a film to portray Jesus Christ a homosexual! And that too got world wide media coverage! If Noah can be drunk naked, Abraham can let his wife be taken by Pharaoh in exchange of valuables, Jihuda can fornicate child by having sex with his daughter in law, David can rape the wife of his general and Solomon can have sex with queen of Sheba by deceit, where and what remains God and His messengers? Why Satan not be crowned as Supreme?

Dialogue must be held to dethrone the demon devil Satan first, to clean the hearts and the souls of believers in God the One, with single faith. That is the religion, not religions. Religions make gods, the gods quarrel dogs, and dogs never unite to hold dialogue for unity and oneness. Nation states and their priests never hold conferences for peace and unity.

So we need a Messiah of unity. Jews, Christian, Hindus and Muslims of today can not sponsor and promote dialogue for Godly unity and peace. Because all of them had blasphemed God and His messengers. Here we need the re-incarnation like Jesus the son of Mary, the Soul and the Spirit of God Ruhullah. Not the son of God, God.

We do not need Jesus to worship him. We need Jesus to worship God like him. To worship God and fear and love Him. We all need to be incarnated ourselves by self-repentance, recompense and revolution. God the Merciful did mercy on us all by sending Jesus, who had no preceding hierarchy and succeeding hierarchy as well. God had created Adam in His image to shadow Him over all creature. Satan envied and pushed his children asunder, prejudiced in color, races, regions, religions, and faiths etc. God once destroyed them by Noah's prayed deluge. Again the children of Noah astrayed.

God sent His favourite Abraham with special blessings to his children. But they most heinously betrayed Abraham's trust, the covenant of Almighty God. They impostered more godly than God. Claimed they are the sons of God and His favourite friends, and reduced the fellow human kind lesser than cats and rats to serve them whimsically. They persecuted and killed many prophets and messengers. For their obdurate sinisterity, they were cursed to be boar, and ugly monkeys. They humiliated their deliverer, great messenger of God Moses. Moses left them cursed.

Finally God the Merciful sent Jesus spiritual re-incarnation of Adam, Noah, Abraham and Moses to bring back the gone astray sheeps of the House of Israel. But they again obdurate and attempted to eliminate Jesus the soul of God. Jesus also cursed them.

Now the world humanity is toiling under the vile and vicious arrogance and arrant conspiracies of Zionist Jews. They have turned the host and guest heaven earth the colony of racist stigma of brute might, and made the human life on earth a hotel-brothel of carnival carnage. God built Mecca and Jerusalem by Abraham to be models of the home of believers, the People of Faith. God's homes are under the passing care of human progeny, to dwell, worship, and host guest with equal rights, with no rental legality. But, instead, they **violated the very chastity of** the human soul, human body, human home, human lands, and human wealth by associating partners of God in soul, promoting males slavery and females prostitution, introducing rental home and real estate, rental levy on occupied land on landlordship and most transgressedly introduced usury in monetary system. This last crime has driven the last and final nail in the coffin of slain humanity. This has virtually destroyed all the fibre and fabrics of human bondage and fraternity. This murderous usury is the fornicator of the banking system that sucks the life fluid of the society. Between the owner and the users of money has cropped up the third Shylock to suck the life potential of both sides, like their being a pimp of prostitution between husband and wife.

Racial Jews have splitted the house of unity of Abraham mainly by two of his wives Sarah and Hagar. Obviously these two graced ladies were the blessed wives of their glorious husband Abraham. Ishmael and Isaac are the sons of Abraham, and the dormitory belonged to Abraham. On Satanic instigation, Israelites became the children of Sarah and Arabs became the children of Hagar. But both of them were and are the offspring of Abraham the father, not their mothers to divide the home.

Muhammad came with preceding generation without succeeding generation to tell all that he was not an innovation. Rather he was the continuation of the chain of messengers of the chain of Adam, down to Jesus, that every individual human is individually responsible and answerable to God for his deeds. No race, colour and family would count anything to God on the Day of Judgement. He was one like Noah, Abraham, Moses and Jesus. To clean him from racial family stigma, God made him an orphan of both parents and miraculously God arranged a blessed maid from out of the bond of his racist Qurayish clan to raise him ideal for final universal humanity. He declared in his summit congregation that there must not be any preference and supremacy on the basis of race, colour, and geography. Only the deeds and actions of an individual would count for his destiny. Almighty God has categorically made mentioned in the text of Quran that Muhammad is not the father of any adult male to have his succeeding generations, but he is the messenger of God, and the last of the chain. There would be no messenger after him. His followers only shall inherit him the Message. Further astonishingly Muhammad has mentioned that, Jesus, the son of Mary, the soul of God shall emerge finally with preceding and succeeding episodes, to tell the mankind to be the children of God like Adam, as Jesus has emerged Adam-like. Never to be sectarian, racial, and prejudiced like the followers of any particular person as the son of God. Like the Jews say "Ezra is the son of God", and their split in Christianity echo like them saying that "Jesus is the son of God". Rather be like Adam, the sons of Adam like me. So we all end to God to be his sons. Not only son, which is impossible, illogical, unethical and discriminating. God cannot discriminate against his created children. Such is unjust, injustice. If God Himself instances partiality, what the mankind would do?

In the Quran, God has categorically revealed: "The similitude of Jesus before God is like that of Adam, who was born without either a human father and mother."

To all saner elements of human race, Adam and Jesus are the servants and sons of God, and we all are as well. In one particular advantage, we the commoners are luckier than the Prophets and the Messengers. None of us can be Adam, Noah, Abraham, Moses, Jesus and Muhammad, peace be upon them. Because they were the Messengers and Prophets above their human membership. Each were unique in their assignments. But we are their free followers. We are to believe in everyone as Messengers of God without any discrimination. Like a noble man has ten worthy sons. They all serve, obey and call their father with adore and colours devotedly. But sons are among themselves equal brothers. They can not obey and follow each others as fathers. They may have profound love and respect among them. They have ten children each who live in the different suits with their parents, say, in ten homes in same compound. The second generation has uniting father. But they are divided in ten homes. After them their children shall further disintegrate unless there emerges a whiz kid in the third generation, who would call his grandfather his father, his father father, and the uncles fathers, and obey and serve them with uniqueness. He respects his grandma, mother and aunts as mothers, and resultant he, his grandfather, father, and uncles accept him as "The Son"! The suit follows in the family as an example! Mother say him "The Son"! Brother and cousins say him "The Brother"! He is the unifier, Gods image in the family and the society, a whiz kid.

Such is our position on the earth. If you are the believers in God, worth the name and claim, after God the One and His Messengers from Adam down to Muhammad, you are to rise wise to be sons of God Adam, sons of Adam like Noah, Abraham, Moses and Muhammad with the soul and spirit of God, and to choose and equal from amongst you, cream from all prejudices maligned the earth and its inhabitants.

I swear in the name of Sovereign Master Whom we believers call, God, Allah, Ishwar, Jehovah, etc. in same meaning, and declare one amongst us would lead us for global family,

<https://www.janahjibreel.com/>

he would emerged Messiah, Jesus. There shall not be emergence of separate Messiahs of Jews, Jesus of Christian, Kalki Avatar of Hindus, and Mahdi of Muslims, to divide the world for so many gods. There is no gods but God. Gods of one son, one moon, one air, one light and one water that the life and the existence thrive on.

In today's world of devil's doom demonic globalization, many Nobel laureates of peace have unequivocally urge the world conscience to bring the globe under one umbrella of discipline to humanize the dehumanized humanity by dividing God, His man and His earth of indivisible oneness. Otherwise all advocacies of justice, human right and democracy will end in hell-havoc hypocrisy. Deluge is the next day.

The servants of the faith and religion must serve as mission not profession. God has created and blessed them to be His vice grant on earth to serve Him by their lives, wealth and belongings for the welfare of His creatures. So the Faithful dedicated people serve the government and the faiths and religions must not be flown as the flags of State and government. Otherwise the traders of false faiths and religions will manufacture faiths, religions and gods too to be God over gods like ancient Nemrud, Pharaoh, and Goliath etc. who had hired servants of faiths and religions, exact like Jews, Hindus, Christian and Muslims imposter rulers have today all over the world, who have breed and brought terrorist like Bush, Blair and Bin Laden etc.

Sitting in the conference on their behest has consequented the war of demons and devils traveled all the continents of the globe to Asia and especially Indian subcontinent. Afghanistan, Pakistan, and India did never colonize world outside. Rather they were the victims.

Ungrateful of God's favour, because of God's favorite Abraham cruel Jews killed, humiliated and distorted messengers and the faith of God throughout the history on false pretext of race and tribalism. God sent non-racial Adam like Jesus with love, forgiveness and tender heart. In his era Abraham and Mosaic Jews had commercialized everything of God. They turned Jerusalem as the seat of all criminality. Jesus tried his best to bring back to right path. The more he tendered, more the Jews became cruel. Their sinisterity passed limits that Jesus the forgiver had to attempt himself to evict Jews who virtually had turned Jerusalem a den of all criminality according to the version of lord Jesus himself. Evicting with fury and anger Jesus had uttered, "You had made the House of God a den of all crimes". Cursed Jews ultimately handed him over to the then Roman imperialist to be crucified with thieves! This is the mindset of racial criminality since! Most tragic in the case of deviation of so-called chosen family who deviated more devil than the devil itself by tearing the embodiment of Soul and the Spirit of God Jesus into two extremity, the son of God and bastard!

More startlingly aftermath of this perversion that one of these two have become colonial imperialist to enslave the humanity of the world, and that two in the name of holy cross and Christianity! The mother faction of these two remained conspirator against God and His human in the name of vicious rascality, and the other emerged more vile and wild to conquer the nuke and corner of the earth by all means that devil shy!

They did not spare any pocket of the earth they did not attempted to overrun and plunder the resources. Wherever they went they played Judas under the garb of Jesus. For the sin and sinisterity this Christian demon are only next to Muhammedan Arabs who played more devil than any people of the faiths (?) on earth. Muhammad the final messenger was sent to correct the files and profiles of the messengers of Allah, with especial reference of Abraham, Moses and Jesus. Because the Jews and Christian agree to be of the line Abrahamic Faith. Muhammad has categorically said that he was the finishing seal of the finalizing end of

God's Messages and Messengers. He renounced all racial and prejudicial stigma that divided the one humanity of one God and one world. He clarified that God has sent him to establish His rule on earth by the oppressed and enslaved children of the family of Adam and the Shariah of Noah on the detailed messages of Abraham, Moses and Jesus, peace upon them. First he began with unseating Arabian ignorance and barbarity that usurp the First Home of God for human oneness and human equality under headmanship of Quraeish clan, who occupied and desecrated the Holy Kaabah with their hundred and sixty gods and deities of fake faiths and religions. They made the Kaabah and its vicinity as slave market of the abducted man and woman of God's children.

Muhammad accomplished his job overrunning the Mecca and Meccans eliminating the claws and the clutches of Meccan vested interest led by the counterpart of Jewish hegemony of Sarah's Isaac, the Arab cult of Hagar's son Ishmael. He declared in his final sermon, the charter of human equality for all times to come. On the textbook order of the Holy Quran, Muhammad the final Messenger of all believers in God and his faith, appointed and explained in details and consecrated a teenager son of an abducted father and mother, Usamah Bin Zaid to be the ideal for future leadership on the footprints of Moses and Jesus, peace be upon them.

Prophet Muhammad was cautioned by God about the planted agent of Meccan Qureish in his ranks who stabbed back when they would get opportunity as hidden wolves Sameri and Judas did with Moses and Jesus just on the completion of their message. Muhammad himself on several occasions warned the Judases around him, and said they would be cursed by God and die cursed death.

Muhammad died as messengers before him died. But at his death bed the hidden wolves had started to show their teeth of hatched conspiracy. In the holy Quran there are revealed independent chapters with categorical mention of culprits of these deviations. Just on the departure of the soul of the Messenger, and his body was lying unburied the Judases of his time had hoisted the flag of racial tribalism and captured the power saying: "The leadership would remain in the Qureish clan only". And the Messenger of Allah was buried after three days of his death and that too without the burial prayer he preached and practiced in his life.

The so called "rightly guided caliphs" were all from the clans of Qureish against the whole text of the Quran in the entire message of Muhammad. Until the total elimination of Arabian dynastical imperial caliphate in Spain, Syria, Iraq and Egypt – all caliphs were from Qureish clan. They were ended from the surface of earth as cursed by God and His Messengers. Not a single member remained of the clan of Qureish to reclaim the so called caliphate on earth again.

As a matter of fact, three imposters of Academic Faiths Judaism, Christianity and Arab origin of Mohammedan are gone. They are the chapter of the past history.

In the final scripture of revealed faith, "The Quran in the Chapter Muhammad and in the Chapter Jesus and Mary, it is categorically mentioned, that due to the treason of these three people, Jews, Christian and Arabs of the covenant of God with Noah, Abraham, Moses, Jesus and Muhammad. They would be totally minused, and the fourth people would be raised for the job of God, to again unify the mankind, the family of Adam. And there shall not be ungrateful traitors like Jews, Christian and Arabs.

Of the three ungrateful community, the so-called Christian are the worst of hypocrisy. They were blessed by God with the purest messenger of God. Pure like God. His spirit and the soul Jesus and Mary, the unparallel pair of piety and chastity. The symbol of love and forgiveness

and tender heart, the blessing of God. But most unforgivably the connived with mischievous Jews, and that too with shameful hypocrisy, that they have made this unholy marriage to help Jews perpetrate all crimes to full and fill the world with sins so that Jesus the Messiah may reemerged to route all evils to fill the world with justice and fraternity.

In this double standard, my Christian brethren colonized, enslaved, torn and divided the continents that the devil himself of ashamed of. The beloved children of Christ have occupied and colonized Europe, America, Africa, Asia, and Australia, New Zealand, cleansed the natives and aboriginals, hauled and hunted the Africans more beastly than beast and made America and Europe up to day. If Jesus comes today, will he bow before you and gratitude or annihilate you to purge the earth from the champions of democracy and human rights who legalize a prostitution, sodomy and gay? Has he not said that he would come back rattling sword against perpetrators? Enough is enough!

The cousins of Jews Arabs imposters against Muhammad and reversed the clock. Now they have towered the three billion worth clock over Kaabah to hasten their end. The count down is well in progress. Jesus-like soul is to be the subject and the agenda of Dialogue of all believing sons of Adam. If such soul and spirit emerges, the event that would occur first is, hoisting the flag of Abraham in the Arabian Peninsula and give mandatory option to both Israelites and Arabs to concede to the home of Abraham, and shun all nasty play of racialism, or face extinction. Mekkah and Jerusalem would be a shuttle bridge of world oneness and brotherhood.

Muhammad laid the foundation. But Arabian barbarity prevailed upon again because of the joint sinisterity of the three people – Jews, Christian and Arabs. Satan has started interfaith and inter-religious wars like your interfaith and inter-religious dialogue! The crusade is the child of that interfaith and inter-religious intercourse! Can anyone disagree? Bush and Obama have waged a crusade. Is it a proxy of Abraham, Moses and Jesus? Or the proxy of Devil the hell-fire? If a person has the sense of shame, he cannot lie. But when a person leads a nation, and he is devoid of that sense, he makes the entire nation shameless, and then he and his nation can do anything. Now the nations of the United Nations are led by Lucifer, so the world has become what it is today. The participants of those divided nation ant their faiths and religions who hold dialogue are to serve the purpose of the Lucifer, not God, his messengers and their followers. Would such a dialogue forge and paved the way for the emergence of Messiah, Jesus, or Mahdi?

Osama bin Laden and Obama and his coalition army are fighting in Afghanistan and waging a crusade in the Middle East and Africa, are fighting their images just to die their own death in their own hands.

Jesus said that Muhammad would follow him and Muhammad said that Jesus would follow him. Would both of them follow each other? For what end to establish their own kingdom? Never. They would follow each other to serve their God to end the world united as the only Kingdom of God for one human nation, undoing the United Nations of Lucifer.

The teenage Usama bin Zayed was appointed by Muhammad, had his elder brother Ayman, who led martyr in Mekkah expedition to free and clean Kaabah for the Faithfuls of God on the covenant of Abraham. Mekkan had reversed back to their dark age. But God's formation of Osama and Ayman remained irrevocable for the liberation of the oppressed from the tyrannical oppressors in the ages to come. As a miracle of God's set law, He has made a clear indication for the Army of Messiah to go back to the appointment of God through His final messenger Muhammad after the lapse of fourteen centuries to fight God's Armageddon. Under Ayman and Usama like leadership of oppressed. So a pseudo and dummy Osama bin

Laden and Ayman al Zawahiri are innovated in Afghanistan. God's tradition are identically similar, so that the good souls may come back ultimately after astraying on Satan's misleading. Humane human astray on Satan's deceit, but returns more stubborn to his God after realizing Satan's incite. But Satan-possessed human astray more devil than the devil himself. Such never comes back. The nations of divided faiths and religions are in firm position of Satan today. Messiah revolutionary resurrection is the course of salvation left for this final era of world transitions. No other options.

India and china are two giants of world communities. They remained peaceful throughout the ages. Mother India maintained a home of love and family bondage with Sanatan faith with religiosity of Krishna, Rama and Mahavira. Though the cast-ridden apathy is the disturbing element, but Ramayan Krishna Bhakti have remained active to narrow the breaches. India has the faith of universal unity, but too much of deity and devapuja have remained disturbing. Incarnation of God in many forms of a single image though disturb the concentration of oneness, but supreme love heals the wounds.

Like Judaism, Christianity and Muslims thought Hinduism is also waiting for Kalki-Avatar or a final deliverer to make peace in the torn world. Sri Krishna came as Buddha in his ninth appearance according to expence of Hindutva believe. Now he is expected to appear finally on tenth emergence. Mother India is waiting for a globalizing father of peace. Who is going to portray?

Patriarchal great china had fathers in Tao and Confucius but the Gods of western colonial diabolic design to tear China by opium injection and that too under an unholy alliance of Britain, US, France, Russia and Japan have proved beyond any doubt that western gods of Judeo-Christian axis is the Lucifer. Not the God of any blessing anything God. This is obvious. That diabolic now preach democracy, human rights, open society, freedom and more in same breath, meaning nothing other than blatant hypocrisy. Such has positively mad China allergic about the bogey of religions. I am an atheist and agnostic of such religiosity and faith. What else can be a genuine human?!

Politics for politics is the power politics, the devil gamble and dies. This has to come to an end for good. The masters of this vicious faiths and religions are to be condemned forthwith without any further respite.

Me dear fellow servants of God, for everything good: Leave, serve and cut all relations and alliance from the respective nationalities of divisions and deviations, and come the fold of universal family of Adam. Then only your efforts and dialogues would be meaningful to produce goal and end.

The western bohemian sinisterity has first defaced the general masses, the tax-payers of western hemisphere. They are spent-thrust ruling cliques have rendered their people bankrupt in dire economic crisis and recession due to their greed, lust and scandalous debauchery. Now they are out again in their former colonial countries to occupy their resources through their local and regional agents. Especially oil, gas and mineral resources were their targets. The devils predatory keeps on changing its garb and guise to fetch and catch their prey. Religion is one of most exploited trap used in ages. Wherever and whenever they need, they become more Catholic than the Pope. Now the sponsors of interfaith and inter-religious conference and dialogues are to be at guard from mischief of the agents provocutors in the name of faiths and religions. The moment the "S" of plurality in place of singularity crops the end and means would be clear.

The people of Faith and Truth can not be slaves of geographical border and the boundaries. They are as vast as the vastness of the universe. Now the time has come for the people of virtue to travel and migrate for the regions of potent. The continent Asia has once again become the battle-ground of trans-continental fortune-hunter. Great India and China are their targets. These two bothers are emerging from the debris of their own potential, who did never had any extra territorial ambition or greed. Rather they have complimented and contributed for the promotion of civilization since the time unknown, and never had clashed or aggressed anywhere. Civilizations never clash. It only contributes. The criminality only clashes. Because the crimes and criminals always violate the limits and territories.

So far the history and civilization goes, the Asia is the natural hub of human gene, particularly ancient India, the Mahabharata, or Indo-China of Veda–Purana. Now the whiz kids of family of Adam all over are to choose Asia, and in particular Indo-China to extend all cooperation to protect and promote this continent to be the ideal home of human fraternity, to revive the lost glory of the “host and guest” abode, the heavenly globe, if not the heaven on earth. The bohemians of lost track, who know not, think not and feel not to retrace their origins to recollect and regain their lost address for ultimate destiny. They are out to destabilize the world knowing or unknowingly perhaps to revenge their rootlessness.

Such state of affairs has brought them to aflame Asia to ship the theater of third and final world war to Asia to begin with in the bordering areas as India, Pakistan, and Afghanistan. Obviously that would circumfer China and Russia, the enemies that they did not succeed to destroy by their hot and cold wars! The main human victim of past two world wars were mostly on the soil of Europe minus the victims of Hiroshima and Nagasaki and that two because they enticed the imperial Japan to be their partner for sinister end.
