

AMERICA BETWEEN TWO OPTIONS

THE UNITED STATE VS THE UNITED STATES?! The United States of America or the united state of Allah?

The Message of the Judgment, Before the Day of Judgment!

The Destiny of the Witness
"IN GOD WE TRUST"

Dear Mr. Harry K. Thomas Junior,

May God bless you with the root of blessings.

This is the message inspired by God to reunite the children of Adam, more rooted than the "THE ROOTS" of Alex Hailey.

The US under the *PRECEDENCE* of George W. Bush and the establishment is brought to ME as destined by God to accomplish the message of God as resurrection of Jesus, the Spirit of God. Now the US cannot pull back, be it a retreat or a tactical withdrawal. The options are "Rise for God or be erased". Man, who disobeys Scripture, is termed dog in the holy Quran.

To rise for God, the US, has to cleanse her Baptized anew from the dogs of division for God's unity. God unites. Dogs divide. Dogs guard divided territories and boundaries.

The existing USA is more a DSA, "Divided States of America". This is dog sponsored Unity of Disunity. Almighty God does not accept so.

God agrees only to United STATE of America, not STATES. Nations are dogly, so the nation states are the states of dogs. Jesus' USA, would abbreviate, United State of Allah, the Divine Globalization.

The Nation of God is godly. God is One, His Nation is one.

The Nation of God now has to hoist a flag of Five Stars. The Stars are Noah, Abraham, Moses, Jesus and Muhammad. This Muhammad is not the same Muhammad of Arabs and Moors. He is an alike of Jesus. This Muhammad and Jesus are resembles of Abraham. The Iraq is the bastion of rise of Abraham, and from Abrahamic beam Moses, Jesus and Muhammad had emerged.

The attritious warring Jews, Christians and Mohammedans have nothing in common with the Message of God. They are the false pretenders under the names of the Messengers of God. God

cursed them. So the Middle East (ME) crisis is a wrath of God on false pretenders Jews, Christians and Mohammedans.

The Middle Eastern spectrum is heading towards to be the theatre of Armageddon. The camera is already set for action. God's divine blessing is left to be only way to salvation.

On divine inspiration, this humble slave of God had sent a message to the U.S. establishment prior to action in Afghanistan by E-mail, and a copy was handed over by hand to the then envoy Ms. Mary Ann Peters. But not heeded to. The e-mailing was sent on October 10th, 2001. You are provided with a copy of the same in a booklet. See the present pictures in Afghanistan and Iraq, comparing the message. Find how accurate was the vision!

Again, a message of destiny is sent to Mr. Bush on Easter Sunday, March 21.2004. This is the heaven's dictated final call. If heard and obeyed, the globe will turn heaven on earth, the US Army would be the Army of God, the US Dollar would be the lone currency of those who "TRUST IN GOD" and the planet would end globalized on divine peace.

If not heard and disobeyed, the US may replace the fate of the victims of Abu Gharib prison. Though Arab dictators like Saddam tortured thousand times more, the liberators for God cannot do that. It's a shame for Bush – Blair axis, who pretend Jesus' cause.

The mad rush of gold rewards against dollar rewards for the killers of US and UN tops is bound to trigger hell to engulf the entire globe ablaze.

Before it is too late the US is to rush for the refuge under the umbrella of God, Who turned fire into a garden for Abraham. The Kind God has reared me Abraham like for His service. To men of belief, my call evidences the legacy of Abraham, and this message indeed is the instrument of surrender to God against Satan and his axis of evil who have turned the globe the hell of terrorists. It is only Almighty God Who alone can transform the terror torn world again the Heaven of peace, an abode of His children, the progeny of Adam.

Almighty God, Allah has raised me a lone symbol of total surrender to His will and pleasure since I was born in 1938. I am not a Muslim of Mohammedan cult. I am a Guided Guide of the Kind of Noah, Abraham, Moses, Jesus and Muhammad, the Messengers of God, for one God, one world and one humanity.

The contingent that would conquer ME with the three houses of God from the hands of Zionists and Arabs, would emerge as "The Messiah" for destined peace in the ultimate world. No Zionist Jew and cultivated racial Arab can qualify for God's job. My Master God has raised me with divine mission and vision. By the gifted vision of God, I can guide His army to liberate His houses at Makkah, Madinah and Aqsa, and clean them on the covenant between God and Abraham, to clean and open these houses to all the people of Scripture who believe in the common creed "There's no God but Almighty God."

لا إله إلا الله

The Sovereign God has inspired and spelled me to write an ultimate message in Arabic for so-called muslims as a paper work and road map to put off the hellfire in ME for destined divine peace. Moreover, God has blessed me with credible homeworks in Bangla, English and Arabic, if flashed befittingly, it will convince the real followers of Moses, Jesus and Muhammad peace

be upon them, as one people under the umbrella of one roof of Abraham, the father. Only the vicious anti God axis may raise a short lived hue and cry against it to serve their masters, the Axis of Evil.

Apology of Bush and Tony Blair to wronged mankind shall not put off the fire of God's wrath. It is only the repentant total surrender to Almighty God Who can reverse the wrong.

Since 1970, the formation of this humble slave of God had begun for His destined service. The sudden collapsing deterioration in Middle Eastern theatre, has alarmed this servant to rise, write and handover these warranted messages on behalf of His Master.

After the Dollar rewards for the heads of crusader (?) Bush's adversaries had made the conflict dirty, the gold rewards of Bin Laden after the Abu Gharib scandal, for the heads of the coalition aggressors seems to have motioned the countdown for the zero hour.

When one ton of gold is already on its way to reach the hands of Bin Laden from a moderate poor country like Bangladesh, and that is too being donated by those businessmen who have direct business interests with US and European countries, who have at least half of their sons and daughters in States and Europe, then what extent of outrage and anger can be in Arabian and other Mohammedan countries against Bush and his axis?! Billions are on the pipeline to make the once beloved blue eyed boy of US allies, Bin Laden to do what, perhaps, the Devil also would not possibly think!

By God, rise for God, be godly and rise to avert the doom.

This is only a tip of catastrophic deterioration of the world crisis.

The Dollar that "TRUSTS IN GOD" kills the dearest children of God!

The Gold that "ORNATES MARRIAGE" destroys the family!

God sent Jesus to heal, his disciple precedence kills!

Dear Harry K. Thomas,

The planet, our beloved home, needs a Healer, who would heal all the wounds inflicted in the body of Humanity by the impostors of Moses, Jesus and Muhammad, peace be upon them. None of them killed. All of them healed. Moses had liberated Jews. They humiliated Moses hundreds of times. Jesus was sent to heal the wounds. Jews humiliated him. Finally Muhammad was sent to mend all slits. Now, the Jews, the Christians, and the Mohammedans, all are lying in the name of God and His messengers, and massacring the mankind as a proxy of Satan, the arch enemy of Adam's progeny.

God has graced me to tell His truth plainly for Him, for His messengers and for His believing mankind. Because I am not a Jew, a Christian and a Mohammedan. God has blessed me colourless like Him.

The Final messenger of God chose a radiant black skinned follower, Belal Ibn Rabah, for the call "THE ADHAN" from the top of Kaabah for salvation of mankind on the genesis of Adam, above all the Roots like the "THE ROOTS" of Alex Hailey, and the roots of Semitic and anti- Semitic apartheid and prejudices.

Mr. Ambassador, the dear,

Your predecessor was Mary, after the name of the mother of Jesus. I wish, God grants you with the Belal Destiny. From now your mission must exclude the agenda of meddling with small politics of Bangladesh. This country is a black-hole on earth. She is destined to be either the new Horizon for a New Dawn, or to die for oblivion. Carry this Message for White House to rise for Messiah or to wait for Dollar-Gold, Christ anti-Christ Deluge to be white washed.

May God bless you to be in the core of Diplomats who would shuttle between the heaven and the earth to bring peace from the Heaven to this world of hell.

If the Message is accepted, the era of completion of the messages of Noah, Abraham, Moses, Jesus and Muhammad, peace be upon them, would fall on us alone to form the children of Adam ONE NATION, a heaven on earth, instead of hell of Judo-Christian-Arab attrition, and all hostilities will cease within 40 days, God willing. The rest, when, if we meet.

MAY GOD BLESS THOSE WHO DESERVE BEFORE DESIRE.

فإذا فرغت فانصب، وإلى ربك فارغب.
